In response to request number 5061.

I got your response this evening. I guess I wasn't very clear in what I wanted.

Can I get a copy of all of the public records requests from June 1st - October 31st?

I just wanted a copy of what you sent back to me in the response, but for all the requests. I wasn't asking you to make me a list, just copies of what you already had.

This would be a list that the city would have to create, it is not a report that we can run, it would have to be a one by one created list. The Idaho Public Record Lawdoes not require that agencies create new records or conduct, research oranalyze data or answer questions with responding to a public record request.

Sincerely,
City of Twin Falls
