If you are requesting multiple records, please attach your list below. If you do not have a case/event/citation number, please include enough information to identify the records you want. If your request is for multiple items, it may be subject to fees for preparation. We have records for the Twin Falls Police Department (city, not county) only.

Public Records Request: City accounts payable payments, fiscal years 2020through 2025 (October 1, 2019 to September 30, 2025)Idaho Public Records Act, Idaho Code §§ 74-101 to 74-126

To: City Clerk, City of Twin Falls (records custodian), for the Finance Department (Accounts Payable)Records requestedUnder the Idaho Public Records Act, I request copies of the following records:

1. The City's accounts payable payment register (check register), covering checks, EFT/ACH payments andmanual payments, for October 1, 2019 through September 30, 2025, as a standard report or export fromeach finance system that holds the data, showing at least the following for each payment: paymentnumber, date, payee, amount, fund/department/account, and description or invoice reference. One fileper fiscal year is preferred.

2. The accounts payable reports presented to the City Council for approval on the consent calendar("Request to approve Accounts Payable for [dates]") at its meetings from October 1, 2019 throughSeptember 30, 2025, if they are a different record from item 1.

Date range: October 1, 2019 through September 30, 2025 (fiscal years 2020, 2021, 2022, 2023, 2024 and 2025).A spreadsheet or comma-separated export of the existing register is sufficient for item 1, and electronic copies of the reportsthe Council received are sufficient for item 2.

If producing all six years at once would exceed the free allowance, pleaseproduce the most recent fiscal years first, one year at a time, and send an itemized estimate for the rest before doing thatwork.

How I would like the recordsElectronic copies (spreadsheet or CSV for item 1; PDF or the original electronic format for item 2) sent byemail, as I.C. 74-102(15) provides

Please answer each numbered item separately. If no record exists for an item, please say so in writing forthat item.NotesAn existing report, not a new compilation. A payment register is a standard report of any municipalaccounting system. In 2024 the City Council approved a contract with BS&A Software for new financialsoftware at a total cost of $348,750, plus $58,750 of contingency funds (June 3, 2024, approved 6 to 0,after authorizing negotiations on January 16, 2024), and in March 2025 approved $25,615 for an addedmodule. Given that investment, I expect the City can run this register for each fiscal year as a routinereport or export. If any of these years' payments are held in the City's earlier system, a standard reportfrom that system is equally acceptable.

Fees. I am an Idaho resident. The first two hours of labor and the first 100 pages carry no fee forresidents (I.C. 74-102(10)(a)), and electronic copies have no page cost. If you expect any fee, please sendthe itemized estimate I.C. 74-102(10)(h) requires before doing that work.

If any part is withheld, please release everything else, with only the exempt portion removed (I.C. 74112). For each record or portion withheld, please give the statute relied on, the attorney-review statement,and my appeal rights, as I.C. 74-103(4)–(5) requires.

Timing. I understand the City has three working days to respond, or up to ten working days withwritten notice (I.C. 74-103(2)).

No inquiry needed. This request does not seek records about me (I.C. 74-113), the records will not beused for a mailing or telephone list (I.C. 74-120), and it does not seek personal information from motorvehicle records (title 49, chapter 2, Idaho Code). Under I.C. 74-102(5), no other inquiry of a requester isauthorized. My declaration of Idaho residency is provided with this request (I.C. 74-102(4)).Thank you.
